We are actively seeking members willing to share their time and knowledge to be mentors and for mentorees...
. Please contact Rachael Woodworth or Randy White if interested -Also, please help us with updated ratings and interests to better help the match-up process.

KPA Members Meeting Minutes

Tom Vernon reported that BRY has approximately 4-6 new CFI's gaining into the Samuel's Field community and will be able to help ease the burden on local flight training needs. Also Saturday September 12th an unveiling of the memorial stone for Terry Welshans will be at 8am at the flag poles.

Rick Markle opened discussion on the Bluegrass Aviation Experience flight students and that many lack resources to continue beyond solo flight. He proposed KPA sponsored grants and/or scholarships as well as person-to-person involvement of KPA pilots sharing experience, training and other information as well as financial assistance.

Next meeting will be September 14th at 7pm in the BRY terminal building, See you there!

Secretary; Curtis Hall
