

KPA Board meeting minutes 1-3-24

Date: 1-3-24

Time: 18:00

Meeting called to order by: Rachael Woodworth

Opening comments:

Rachel Woodworth- Great job in 2023, we have successfully navigated through another year! With a lot of new things coming in 2024! Our first wings credit presentation will be at this month's member's meeting, and developing some "off breakfast season" functions like Food Truck Fly/Drive*-Ins (*weather permitting...).

Old Business:

The B.A.E. students have been trying to join the KPA on-line, but have been having difficulty -Randy White is looking into the website issue.

We are seeking a non-profit savvy CPA to help us transition to a 501C3 organization and then finalize programs for scholarships, grants and other things for our members to achieve a Private Pilot's License. We are also striving to build a member mentoring program with seminars, safety briefings and pilot symposiums -aiming to pass on knowledge and honing skill sets...

New Business:

Tentative Food Truck Fly-In planning continues looking to March 23rd with a possible March 30 Rain date. We desire 2 trucks (or more) with set-up around 11am and serving 12-2pm. With BRY Hangar construction going on, we may have parking issues... Curtis Hall is looking to coordinate with airport management and report back.

New events for 2024 proposed: UPS Worldport Tour, SDF Tower Tour, FAA seminars, Fly-out "Poker-Runs"... details TBD.

Suggestions are needed for items and contents to up coming "New Members Packets" -See Randy White.

Pizzas and drinks will be provided for the next member's meeting January 11th.

We should be mindful of other events competing with our pumpkin drop for this years scheduling (Rough River Fall Fly-In, Roger's Int'l Fly-In, Danville pumpkin drop...).
