Date: 1-11-24

Time: 19:00

Meeting called to order by: Rachael Woodworth

### **Opening comments:** Rachel Woodworth

We had a great evening for the Christmas Dinner with lots of food and door prize fun, thanks to all who worked so hard to make this happen!

We are still pursuing those B.A.E. students who desire KPA membership and are working through some website issues.

### **Old Business:**

There are still member T-shirts to be picked up (from the 2023 Pumpkin Drop), so please We are looking for volunteers to help share their experiences and help sharpen each other's skill sets with a mentoring program. This is also a call for folks to occasionally just "safety pilot" ride and help others hone skills... Please consider how you may be able to help and contact Rachel Woodworth to get started.

### **New Business:**

We are looking at purchasing screen printed KPA T-shirts for members to showcase at the up-coming breakfasts, or just to look classy flying around -members present decided on screen printed logos.

We need your feedback: "the last (local) solar eclipse for many years" will be visible from Bloomington, Indiana April 8<sup>th</sup> 2024. We need to hear your input to organize a fly-out! Let us know as soon as possible; at the next meeting or by email how you'd like to participate.

### **Future opportunities:**

Food Truck Fly-In is scheduled for March 23<sup>rd</sup>, the tentative rain date is March 24/30<sup>th</sup> – members who know a good Food Truck that might be interested in serving; please get the Board some contact info!
