

KPA Members Meeting Minutes 2-8-24

Date: 2-8-24 Time: 19:00

Meeting called to order by: Rachael Woodworth

Opening comments:

Pizzas and drinks are provided at the member's meeting for the foreseeable future, so come hungry...

2024 Eclipse Fly-Out: April 8th, 3pm, Perryville, Indiana. We are also looking for someone who'd like to help coordinate a Fly-Out Poker Run for later this year -See Rachel Woodworth.

Food Truck Fly-In planning continues looking to March 23rd with a possible March 30 Rain date. We desire 2 trucks (or more) with set-up around 11am and serving 12-2pm.

Old Business:

We continue to work on the KPA Mentoring Program and need volunteers and info., we are looking for volunteers to help share their experiences and help sharpen each other's skill sets with a mentoring program. This is also a call for folks to occasionally just "safety pilot" ride and help others hone skills... Please consider how you may be able to help and contact Rachel Woodworth to get started.

We have been incorporating FAA approved – Wings Credit- briefings at many of our spotlight events during Members Meetings; it's a great and easy way to stay in-the-know and get credit.

There are still member T-shirts to be picked up (from the 2023 Pumpkin Drop) get yours at the next Members Meeting!

New Business:

We are also looking to start a text message group for quicker fly-out event alerts (day before notices) when opportunities pop up; just give cell numbers (and notice of permission) to Rachel Woodworth.

Events – Fly-Ins & Outs:

February 19-24, 2024- Members are organizing a flight to Cape Santa Maria, long Island, Bahamas. A 2 room suite is \$875.00/ night. For more information; contact Dana Stephens at:

avnavlive@gmail.com

2024 Eclipse Fly-Out: April 8th, 3pm, Perryville, Indiana.

Pumpkin Drop date: October 26th (with a tentative rain date of Oct 27th).

KPA Christmas Dinner is tentatively scheduled for December 7th.

Spot-light presentation: Chris Carter CFII

Safety briefing (for Wings Credit!!): "Cold weather Operations."

Some highlights discussed:

- Rain restricts viability, may induce fog and can quickly freeze under the right situations.
- Ice can also build up on windshields causing visibility issues w/ CG changes all over the aircraft.
- **Develop personal minimums and stick to them!** Don't take chances.
