

KPA Members Meeting Minutes 3-14-24

Time: 19:00

Opening comments: Meeting called to order by: Rachael Woodworth

Pizzas and drinks are provided at the member's meeting for the foreseeable future, so come hungry...

Old Business:

We continue to work on the KPA Mentoring Program and need volunteers and info., we are looking for volunteers to help share their experiences and help sharpen each other's skill sets with a mentoring program. This is also a call for folks to occasionally just "safety pilot" ride and help others hone skills... Please consider how you may be able to help and contact Rachel Woodworth to get started.

We have been incorporating FAA approved – Wings Credit- briefings at many of our spotlight events during Members Meetings; it's a great and easy way to stay in-the-know and get credit.

New Business:

We have started a text message group for quicker fly-out event alerts (day before notices) when opportunities pop up; just give cell numbers (and notice of permission) to Rachel Woodworth.

Events – Fly-Ins & Outs:

Spot-light presentation: Chris Carter CFII

Safety briefing (for Wings Credit!!): "Cold weather Operations."

Some highlights discussed:

- Rain restricts viability, may induce fog and can quickly freeze under the right situations.
