

KPA Members Meeting Minutes 6-13-24

Time: 19:00

Opening comments: Meeting called to order by: Rachael Woodworth
Pizzas and drinks are provided at the member's meeting for the foreseeable future, so come hungry...

Old Business:

We continue to work on the KPA Mentoring and Scholarship Programs... We need mentor-volunteers to help share their experiences and help sharpen each other's skill sets and build esprit-de corps. This is also a call for folks to occasionally just "safety pilot" ride and help others hone skills... Please consider how you may be able to help and contact Rachel Woodworth to get started.

We have been incorporating FAA approved – Wings Credit- briefings at many of our spotlight events during Members Meetings; it's a great and easy way to stay in-the-know and get credit.

New Business:

We have started a text message group for quicker fly-out event alerts (day before notices) when opportunities pop up; just give cell numbers (and notice of permission) to Rachel Woodworth. Work on a "Rodeo" is shaping up! Contests in taxiing & stopping, spot landings, marshaling, preflight preparation, flying to a point, even the fastest tie-down roping contest... even a paper airplane making for the younger-at-heart! It's looking like a lot of fun. With teams of 2 each, grab a friend (perhaps a build program student?) and share the fun!

Events – Fly-Ins & Outs:

Father's Day breakfast Fly-out to Rough River will be the 16th commencing around 08:00am from KBRY. Point of contact: Aaron Riggs. Come all who can!

July 11th member's meeting safety presentation: "Fuel Management" presented by: Jeff

Dana Stephens is interested in a Fly-out to Mackinaw Island Michigan (KMCD) August 15 thru 18th, it's a 3500'x75' paved strip (08 - 26). Anyone interested, give him a shout...

Spot-light presentation: Jeff Sarver (UPS Meteorologist)

Safety briefing (for Wings Credit!!): "Turbulence"

Some types discussed:

- Low Level
- Thunderstorm
- Clear Air
- Mountain Wave
- Wake
